Projected Results			
2004	2005	2006	2007
160,550	160,550	160,500	160,500

Program Results and Effect:

The racing commission ensured the integrity of live racing by developing the rules and regulations, procedures and sanctions necessary to prevent the mistreatment of animals. By assisting licensees, specifically track owners and operators, racing is promoted, increasing revenues for the public school fund.
